Wolverines Drop Important Game To Douglas High

Local Team Meets South Tahoe Here In Big Annual Contest

Coach Guy Wilson's Junior Varsity fought a valiant fight Friday to defeat the Douglas JV at Gardnerville 38 to 20.

The youngsters recorded their second win, having won from Yerington the week before 12 to 0.

Wilson alternated between his first and second squads, giving everyone a chance to play.

Saturday the Juniors tangle with South Tahoe JV on the Truckee field.

A fired up Douglas Tiger eleven last Friday night refused to believe the oddsmakers and rose up out of the conference cellar to claw the local Wolverines 24-6. It was the first conference loss for Coach Cal Farley's Cardinal and White and a very costly one indeed.

It sets the stage for this Saturday's finale on the local field with arch rival South Tahoe. The winner will share the conference co-championship with Winnemucca.

The fighting Tigers from Douglas County gave evidence of things to come shortly following the opening kick-off. Following the opening series of downs when the Tigers gambled on a fourth and one situation to get the first down, the Gardnervillites came out in a new spread formation. Roger McDonald, Tiger tailback, threw across field to the speedy John Manke on a screen pass and the fleet halfback went fifty yards down the left sideline for the initial score.

Five different Wolverines had hold of Manke but he twisted and turned away from all of them. The conversion attempt was foiled and

Band Assists In Donner Road Fete

For the second time in recent weeks, the Tahoe Truckee High School Band yesterday assisted in the dedication of new freeways in this area, plaving Wednesday at the opening of the Hampshire to Soda Springs lateral.

The band, under the direction of Ross Price played several numbers and participated in precision marching led by Drum Major Randy Schultz.

Members of the band areSchultz, John Wirta, Tom Terkilsen, Michael Terkilsen, Alan English, Gary Wing, Leonard Watts, Daven Morey, Jim Grady, Bill Thornton, Al Eberhart, Doug Ball, Jim Shull, Dick Cinani, Bill Benish, Keith Holden, Sam Medford, Merrill Englehart, John Olinghouse, Tim Risden.

Gene McGihon, Gary Taylor, Don Bradley, Paul Sherman, Paul Quartly, Scott Calhoun, Larry Mandeville, Sharon Brown, Dorette Rose, Sue Scott, Mary Thorwaldsen, Dona Stumbo, Paulette Brown, Judy Giovannoni, Linda Giovannoni.

Sue Moyer, Joe Straub, Dusty Rhodes, Cathy Barker, David Pankoke, Don Weinand, Larry Rollison, Randy Pomin.

The majorettes are Teresa Decker, Terry Beck, Mary Pratt, and the flag twirler is Patsy Jensen.

GAUTSCHE TO TAKE LAWSON'S STATION

Mr. and Mrs. A. H. Lawson have moved to make their home in Sparks where they have purchased an apartment in the Greenbrae Center. Lawson, who had managed the Standard Oil Company Station in West Truckee for the past 15 years has been transferred to a company station in Reno.

Rolland Gautsche, who has been employed at the local station for several years, has taken over as manager of the establishment.

GREAT BOOKS GROUP MEETS NOVEMBER 11

Montaigne returns to fore for the Great Books Discussoin Group when Selections of his Essays will be discussed on the evening of November 11. The Group will meet at 8 p. m. in the Community Center Library of the high school in Truckee.

The newest member of the Group is Mrs. Jane Householder who recently came to Donner Lake from Panama. She collaborated with Mrs. Laura Wilson in the leadership of a work of St. Thomas Aquinas at the October 28 meeting.

MAKE FAVORS

Brownie Troops No. 130 and No. 137 of Truckee made and presented to the Tahoe Forest Hospital tray favors in the Halloween theme.

Mr. and Mrs. O. J. Rablin left for Roseville where they have their winter home.

Mr. and Mrs. Don Matson are leaving here to make their home at Oxnard where he will be employed.

Odd Fellows Will Set Up H.S. Eaton Scholarship Fund

In memory of the late Harry S. Eaton, a member of Donner Lodge No. 162, I. O. O. F for 57 years, the members of the order Friday night unanimously voted to establish the Harry S. Eaton Scholarship Fund.

This scholarship will amount to $150 annually and will got to some deserving youth in the Tahoe Truckee High School. Details of the requirements for the scholarship will be determined at a later date and will be awarded for the first time in June, 1961.

Noble Grand Charles Vind presided at the meeting during which it was also decided to sponsor the Truckee Cub Scout Pack No. 7.

Emil Stroud, district deputy grand master,paid his official visit to the lodge accompanied by five members from Grass Valley.

The next regular meeting will be held on November 10 and all members are urged to be present.

All Fire Permits In Forest Cancelled

In a joint release issued at Nevada City by Henry E. Branagh, Tahoe National Forest supervisor, and Robert Burns, California Division of Forestry ranger, stated that, until further notice, all burning permits are cancelled. This includes burning in incinerators, open sawmill burners and any type of trash or refuse burning on or near any forest, brush or grass-covered lands within the jurisdiction of the Tahoe National Forest and the California Division of Forestry in Nevada, Placer, Sierra and Yuba Counties.

Forest officials warn that the utmost in cooperation from all citizens is imperative if the needless destruction such as that being brought about by the devastating fires of the last few days in this area is to be halted.

Public notification will be made when hazardous burning conditions are alleviated.

ART SUBJECT OF CLUB MEETING ON FRIDAY

This being National Art Week, art will feature the meeting of the Wyethia Women's Club Friday at 8 p. m.

Lyle Morris, art instructor at the high school will be the speaker, explaining art in its many forms with an exhibit to illustrate the talk. A short business meeting will follow the program and refreshments.

The club is having a membership drive with Mrs. Fred Pedley and Mrs. F. W. Wilson captains of the two teams. The winning team will be entertained by the losers.

The clubhouse will be open Saturday afternoon and evening to show art by the local artists and the hostesses will be Mrs. Mary King, Mrs. Julie Davis, Mrs. Lucille Bick, Mrs. Wilson and Mrs. Pedley.

MISSING DOGS IRE TRUCKEE OWNERS

Several dog owners in the River Street district of Truckee have reported this week that their animals, that are kept within the confines of their respective yards, have mysteriously disappeared. The matter was reported to local officers, one resident said.

The pets in question have not been allowed to roam through the streets and have been given the attention of family pets and are companions of the children in the families.

AUXILIARY PLANNING BENEFIT CARD PARTY

The Ladies Auxiliary of the Donner Lake Volunteer Fire Department will sponsor a card party to be held at Smart's on Friday, November 13. Time is set for 8 o'clock and admission is $1 per person. There will be a first prize of a Thanksgiving turkey with all the "trimmings." Second prize is a merchandise order. There will be various table prizes. A snack and coffee will be served after the party.

Health Officer Here—

Dr. Will Brown of the U. S. Department of Public Health from Berkeley, is spending a week here with Area Sanitarian Richard Walker scrutinizing the work being done locally.

Sale Of Land By District Delayed By Legal Opinion

Attorney Advises Board To Readvertise If Sale Is Desired

A special meeting of the Truckee Public Utility District will be held at the district's offices this evening for the purpose of considering readvertising for sale the 65 acres of land sold ten days ago to G. E. Lewis for $51,000.

The district's attorney, Paul Chamberlain of Auburn, advised the board last week that the action in reconsidering Lewis' bid was not standard practice and that the sale should be readvertised.

The board a month ago rejected the $51,000 bid, but at the meeting last week reconsidered and accepted the offer which incidentally, was the only one originally made for the property. The land in question is located west of State Route 89 and south of the new freeway just west of town.

Under stipulations made by the district, the purchaser will be required to put up a performance bond in the amount of $25,000 to assure required improvements, expected to cost around $30,000 and including utilities, streets, etc.

The board tonight may determine to readvertise or may delay action on disposing of the property which is held valuable because of the rapid development of the area and the ideal location for subdivision purposes.

Fugazi Named On Motherwell Case

Robert Fugazi, Truckee attorney, will represent Larry Lord Motherwell, accused slayed of Pearl Putney, wealthy Washington, D. C. widow, in the Sierra County Superior Court trial.

The arraignment is scheduled for Monday but Fugazi has indicated he will ask a continuance to give him time to study the internationally publicized case more fully.

Fugazi's connection with the case was disclosed Tuesday after he received a call from Attorney Samuel Klin, law partenr of J.T. Reges of Washington, D.C. Reges represented Motherwell at the preliminary October 26.

ARCHERS WILL HOLD SHOOT NOVEMBER 8

The newly reorganized Lake Tahoe Archers is having an open Halloween Shoot Sunday, November 8, at the Tahoe Gun Club in Tahoe Vista.

The shoot will start at 10 a. m. Entrance fees will be $2 for adults and $1 for juniors and intermediates. Food will be available with coffee free.

The regulation 28 target shoot will be followed in the afternoon by a special novelty Halloween theme shoot at 14 targets.

To reach the Gun Club, turn on National Avenue in Tahoe Vista and go to the end of the street.

Bring the entire family for a day of fun.

FOUR BABIES BORN IN LOCAL HOSPITAL

Four babies were born at the Tahoe Forest Hospital during the past week.

On October 29, John Carl Swigert, 6 pounds, 12 ounces arrived for Mr. and Mrs. James Swigert of Carson City.

On the same day, Robin Lynn Crose, weighing six pounds, nine ounces was born to Mr. and Mrs. Oliver Crose of Truckee.

Mark Joseph Barrett, eight pounds, four ounces was born November 2 to Mr. and Mrs. Bernard Barrett of Tahoe City.

Mr. and Mrs. Kenneth Ferrier of Kings Beach November 3 welcomed Susanne Mae, seven pounds, four ounces.

RAINBOW GIRLS MEET

Hope Assembly No. 18, Order of Rainbow for Girls will have an official visit by the Grand Worthy Advisor of the order from Nevada Sunday, November 8 at 2 o'clock in the Masonic Hall at Truckee.

Kearney Visits—

Frank Kearney accompanied by Lawrence and Tom Kearney visited local friends last week while the latter two were deer hunting.

SUNBEAMS

By WALTER M. BARRETT

Once more Truckee owes its very existence to the fine work of its volunteer fire department and the neighboring departments which responded with such willingness to combat the fire at the Burney Lumber Company mill last Friday. Had it not been for the work of the volunteers, there is little doubt the entire town would today be in ashes. We wonder at times if we do not take our volunteers too lightly. It is only when they are badly needed that we think how valuable they actually are to our welfare. The community owes a sincere vote of thanks not alone to the Truckee department and local volunteers, but to the Tahoe City, Donner Lake and Squaw Valley men, as well as the forest service, Southern Pacific crews, division of highways and others who worked diligently and hard to minimize a truly threatening fire. Also a bow to the ladies' auxliaries for their assistans in supplying refreshments and encouragement to the volunteers. Such cooperation by everyone concerned must be admired and appreciated.

— — —

Now, just as a matter of precaution, let's not forget that fires can be dangerous and resolve now and keep it in mind not to be responsible for a fire which might someway get out of control.

Widow Of Resort Owner Is Suicide

ROSEVILLE—Services for Mrs. Vesta Irene (Betty) Johnson, 47-year-old Webber Lake resident were held Thursday at 10 a. m. in Roseville.

Mrs. Johnson was the widow of Vernon Taylor Johnson who died in August and whose parents reside in Roseville. The Johnsons had operated a resort at Webber Lake for many years.

Coroner Philip R. Newberg of Sierra County said she died of a self inflicted deer rifle wound in the head Sunday in her Webber Lake Lodge.

A native of Stockton, Mrs. Johnwas a sister of Ruth Reynolds of North Sacramento, Delores Hillman of Sacramento and Elmo May of Michigan, and daughter of Frederick May of Folsom.

Burial was in Roseville District Cemetery.

SALE OF LODGE AT TAHOE ANNOUNCED

CRYSTAL BAY — Sale of Bal Tabrin Club properties at Crystal Bay, Lake Tahoe, Nevada to Nevada Club, Inc. of Reno, was announced. The purchaser currently operates the Nevada Lodge, 100-room resort hotel, also at Crystal Bay. The reported sales price was in excess of $500,000.

Bernard Einstoss, president of the selling corporation said that the sale was the result of the decision of Bal Tabrin officials to concentrate their efforts at the Horseshoe Club in Reno.

A spokesman for Nevada Club, Inc. stated that no plan for the properties purchased has been formulated at this time. It was indicated that a principal element in the purchase was the buyer's desire to acquire the parcels which are located adjacent to the Nevada Lodge, situated just across the California-Nevada line at the north end of Lake Tahoe.

BEV. GUNKEL WORKS ON SCHOOL PAPER

Bev. Gunkel, former Tahoe Vista high school student, is working as a reporter on "The Wild Cat" the Chico State College newspaper.

Bev is a freshman student and the daughter of Mr. and Mrs. H. Gunkel of P. O. Box 18, Tahoe Vista.

BACK FROM CONFERENCE

Rev. and Mrs. Roy Rhoades have returned from a two-day conference by the Evangelical Free Church held in Chico Friday and Saturday where they met many new friends and enjoyed the fellowship.

Part Of Highway Over Summit To Be Started In 1960

New Budget Does Not Give Sufficient Fund For Job Completion

Although the 1960-61 fiscal year budget for the state division of highways includes no funds for the Donner Summit freeway project the 1959-60 budget had included $7,500,000 toward the $17,500,000 project from Soda Springs to Donner Monument.

The Capitol News Service at Sacramento learned that 6.9 miles of the summit freeway is expected to be advertised for bids in the early spring. This will include the section from West Lake to the west end of Donner Lake.

It will be a two year job at least with partial financing from the current budget. Then came the slowdown in federal money so it was seen there could be no major appropriation in the 1960-61 budget.

So the highway commission last week, revised the current budget to provide an additional $800,000 or a total of $8,300,000 for the 6.9 mile section.

This will include grading and structures in preparation for the freeway.

PROSSER PROJECT

At the same tiem the commission announced that it had allocated $680,000 for highway work in Nevada County in its 1960-61 fiscal year budget, approved Monday.

The commission will undertake only one project in Nevada County under the new budget, as follows:

U. S. 40 near Truckee to 1.9 miles north of Hobart Mills; grade, pave and structures to relocate around future Prosser Dam reservoir (co-operative project). 6.9 miles, $610,000 state's share.

Acquisition of various rights of way, $70,000.

SCHOOL PLANS FOR VISIT OF VIKINGS

The Tahoe Truckee High School student body entertains the Vikings from South Tahoe this Saturday in the first "Big Game." The student councils of the two schools are purchasing a large football trophy, which will be awarded the winning team each year.

As a part of this rivalry, the following activities have been authorized by the school authorities for Saturday:

1—10:30 a. m.—Decorated car parade from the high school through downtown Truckee and out to the Wolverine's football field.

2—11:30 a. m.—Junior varsity football game.

3—2 p. m.—Varsity football game.

There will be no school sponsored dance or activities following the football game.

KATHY CAMBELL IS HOSTESS AT PARTY

Kathy Campbell with her mother, Mrs. B. A. Campbell as co-hostess gave a Halloween party Saturday evening in their home at Donner Lake, including a dinner, treat or treating and seasonal games.

Those invited were Mary Atkinson, Sandy Ferdinand, Sandy Davis, Donna, Ruth and Steve Coolong and Sharon Sanders.

FIRETTES PRESENTED $100 THANKS CHECK

As a token of appreciation for their efforts in combating the mill fire last Friday, Sidney Topol, owner of the Burney Lumber Company plant, has sent the Truckee Firettes a thank-you letter and a check for $100. The gift was welcomed by Mrs. Connie Kammerer, the Fire-ettes president.

MARRIAGE LICENSES

Miss Ireda June Harris of Truckee, 17 years of age and Albert Elmquist, 22 of San Francisco were issued a Reno, Nevada marriage license.

A second license to wed was issued in Nevada to Kermit Bowling, 30 of Truckee and Dosie Honea of Reno, Nevada.

Chico Guests—

Mrs. Roxie Archie and Mrs. Walter Loynd visited at Chico with Mr. and Mrs. Rufus Gregory while Loynd was on a hunting trip in the nearby area.

Prosser Dam Bids To Be Opened At Carson City Today

Bids for the construction of the Prosser dam north of Truckee, the initial major construction in the $52,000,000 Washoe Project, were scheduled to be opened at Carson City today by the bureau of reclamation.

The dam is designed to provide flood control downstream on the Truckee river and store sufficient water to insure an even flow for the benefit of wildlife along the stream.

The reservoir will have a capacity of 30,000 acre feet, with 10,000 acre feet in permanent storage.

Recreational facilities are planned for the area and include camp grounds and boating and picnic areas between the proposed new highway and the Prosser reservoir.

The dam will be located about a mile and half upstream from where Prosser Crek now empties into the Truckee River.

Bids on the project were scheduled for opening last June but were delayed over a dispute on reclamation spending.

It is expected that if the bids are found satisfactory, work will be started on the project next spring.

A new highway between Truckee and Hobart Mills will bypass the reservoir on the west and will be included in next year's highway budget.

Art Week Exhibits Displayed In Area

The Wyethia Women's Club in sponsoring Art Week, has arranged for several exhibits in the store windows, at the elementary school, the studios of the Jolley Brothers and at the Wyethia Clubhouse. All the exhibits feature work by local artists.

The high school will have an exhibit at the Toggery and pictures in color will be at Cabona's, the Sierra Sun, Heller's, the Donut Shop, Loynd's Drug, Wilson's Insurance, the Bottle Shop, Truckee Mercantile, and Cook's Plumbing.

Jolley's Studio and the Wyethia Club will be open from 2 to 4 and 8 to 10 p. m. Saturday.

DEPUTY ELKS RULER TO VISIT WEDNESDAY

Eugene Heil, district deputy for the grand exalted ruler of the California North Central District, will pay his official visit to the North Tahoe Sierra Lodge No. 2140, B. P. O. E. Wednesday, November 11.

Heil served with distinction as past exalted ruler of Stockton Lodge and as state chairman of the youth activities of the California State Elks Association. He was honored last July in Chicago by the grand exalted ruler who appointed him deputy for California North Central District.

Exalted Ruler Richard Brennan expects all members to be present at the dinner and meeting at Tahoe Inn at 7 p. m.

CATHOLIC CHURCHES PLAN BENEFIT DINNER

Plans are under way for a buffet dinner to be given at the Nevada Lodge on Sunday, November 15 at 7 p. m. The dinner is sponsored by the Truckee, Kings Beach and Tahoe City Catholic Churches.

The public is invited and anyone wishing tickets may contact the following: Betty Kielhofer and Lola Toccalini of Truckee; Pat Crow, Connie Wainscoat and Bob Snell of Kings Beach; Martha Snyder of Tahoe City; and Mrs. Gangler of Soda Springs. Price of the dinner tickets is $2.50.

MEET DELAYED

Mrs. Eugene Risden announced this week that the meeting of the Tahoe Truckee High School P.T.A. scheduled for November 12 has been postponed due to other commitments. The date of a future meeting will be announced later.

Green Back—

Sherman Green is glad to be back in Truckee after spending several months in southern California. Green said that conditions in the south added to a long sick spell made him doubly appreciate this area.

OFFICE TO CLOSE

The office of the Truckee Public Utility District will be closed Wednesday, Armistice Day.

Firemen, Change In Wind Credited With Saving Town

Burney Lumber Fire Offers Serious Threat With High Winds

Had it not been for the fast and efficient work of scores of men and a shift in the strong east wind, Truckee would have been wiped off the map Friday night as fire struck in the Burney Lumber Company yards at the east end of the town.

The fire started in one of the huge piles of cut lumber and had gained considerable headway before it was reported by the forest service lookout on Martis Peak, who called the local ranger station to inquire if it was controlled.

Henry Toccalini of the local station called the lumber company and a hasty investigation revealed that help was needed immediately.

Stirred by the lashing wind, the fire spread from pile to pile in the lumber yard and eventually into the large stacks of logs. The Truckee Volunteer Fire Department responded and after Chief Glen Coffey sized up the situation a second and third alarm was sounded and calls went out to nearby departments and agencies for assistance.

Responding to the calls were the Tahoe City department, headed by Chief Al Henry, the Donner Lake department, a large rig from Squaw Valley, the Southern Pacific fire train from Norden and other equipment.

Bull dozers, with streams of water playing on the drivers were employed to keep pushing the burning lumber piles back to prevent the flames from engulfing the nearby mill or other structures. Had these ignited, it is very doubtful if the fire could have been con-

Continued on Page 8

Dog Ordinance Is Delayed By Board

While a majority of the board of supervisors apparently were strongly in favor of a proposed dog control ordinance, no action was taken on a tentative ordinance presented them at Monday's session.

Instead it was agreed that "more teeth" would be placed in a revised ordinance giving more explicit details on vaccination, pound regulations and other matters, including which agency would enforce the ordinance.

It was generally agreed, according to Supervisor H. G. Loehr that the enforcement would be left to the sheriff's department, but the matter of arranging for pounds could not immediately be decided.

The petition was presented by Richard Walker of Truckee and Hal Cox of Grass Valley, area sanitarians and County Health Officer Stanley Ogush. Appearing in support of the ordinance was Mrs. William Fordham, a dog bite victim, who is circulating a petition locally urging the supervisors to take action to control vicious dogs.

Loehr said there was little doubt that action would be taken by the board in the near future.

REQUEST IS MADE TO RENAME ROAD HERE

Cecil Edmunds appeared before the Nevada County Board of Supervisors Monday to urge them to consider changing the name of Emigrant Way — the name officially given old U. S. Highway 40 between Truckee and Donner Lake—to Donner Way.

Edmunds explained that the new name was confusing and that a petition would be circulated asking the board to change the name.

The board took no action on the request but it agreed to give it study.

FIRE DAMAGES HOME ON HIGH STREET HERE

Presumably starting from an overheated or defective chimney, fire Tuesday afternoon about 2 o'clock virtually destroyed the home of Mr. and Mrs. Claude Gabbard on the east end of High Street. The house was owned by Mrs. Charles May.

As usual, the volunteer fire department responded quickly and within a short time had the flames controlled and prevented their spread to nearby houses.

LAKE LEVEL

TAHOE CITY—With seven gates partly open, the level of Lake Tahoe Monday stood at 6225.85 feet, subject to revision. No precipitation has been recorded at Tahoe and the temperature has ranged from a cool 28 to a high of 52 degrees, Cooperative Observer Art Frodenberg reports.

Guests Here—

Weekend guests of Judy Giovannoni were Kevin Russell of Reno and Marsha and Mary Lynn Birch of Woodland. Linda Giovannoni spent the weekend in Carson City as a guest of Carol Bailey.

EDMUNDS EXPLAINS FINANCIAL SETUP OF DISTRICTS IN STATE

Special districts are a most elemental form ot government of, by and for the people. So states the 8th annual, 468 page report of Financial Transactions concerning Special Districts of California for the fiscal year 1957-58, compiled in the office of State Controller Alan Cranston, and recently received by the Truckee Public Utility District, says C. Edmunds, director of the district.

The report states that is issued as an obligation on the part of the state controller to keep the public informed.

The special significance of this report is that it reflects the magnitude of local government in California. The report shows some 147 specific authorizations covered by the general laws or codes set up by the state legislature and represents some 66 different groups of districts comprising in all 2982 special districts in the state. School and irrigation districts are not included in this report.

The fire protection group represents the greatest number of districts, totaling 463 followed by highway lighting with 421 and cemetery with 246.

According to the report, says Edmunds, the fire districts levy the greatest amount of taxes followed by flood control districts. The municipal utility districts have the largest income, closely followed by the hospital districts while the hospital districts have the largest expenditures followed by the municipal Utility districts.

Public utility districts, which are a separate group from the municipal utility districts, number 75 in the state according to the report, but are so low in income and expenditures that they are lumped and included in a list of 55 other types of districts.

Los Angeles County with 365 leads in the number of districts and there are only 4 other counties in the state with less districts than Nevada County.

Nevada County districts, of which there are 9, are all governed by local bodies and all have powers of taxing both land and improvements except the soil conservation district which can tax land only.

The Truckee-Donner area accounts for 6 of the 9 Nevada County districts. These are the Truckee Fire, Truckee Sanitary, Truckee Cemetery, Truckee Public Utility District, Donner Summit Public Utility District and the Tahoe Forest Hospital District which also embraces a part of Placer County. The other three districts in Nevada County covered by the report are Nevada County Cemetery, Nevada County Soil Conservation which also embraces some of the eastern portion of the county and the Banner Fire District which was dissolved on March 11, 1958.

TheTruckee Tahoe Airport District is credited to Placer County as its greatest assessed valuation is in that county.

It is interesting to note, says Edmunds, that the report states that the total assessed valuation within Nevada County's nine districts was $43,682,970 and that their total income for the fiscal year 1957-58 was $563,260.52 of which but $69,569.76 represented taxes collected, indicating that they were mostly self-supporting. Their expenditures totaled $441,125.51. None of the Nevada County Districts received any federal, state or county grants although there was a total of $10.841,472.08 in grants received by other special districts in the state, Los Angeles County districts getting a total of $7,876,138.46, next came Riverside County districts with $656,592.23 and San Francisco with $624,564.44.

The total charges for services made by the Nevada County Districts was $354,502.81 adn other income amounted to $139,187.95. Of these amounts the Truckee Public Utility District accounted for $141,081.12 in charges and $133.596.04 in other income, almost all from sale of land, and the Tahoe Forest Hospital reported an income of $190,929.86 from charges and $3.178.74 in other income and $41.213.98 from taxes. None of the Nevada County districts sold any bonds during the vear and the Tahoe Forest Hospital was the only district reporting paying off any bonded indebtedness.

PARKING LIGHTS ARE BANNED FOR DRIVING

It is illegal to use parking lights, warns the California Highway Patrol.

The California vehicle code provides that no vehicle shall be driven at any time with parking lamps except when the lamps are being used as turn signal lamps, declared Bradford M. Crittenden, commissioner of the patrol.

"This language is perfectly clear, yet many motorists continue to drive at dusk, dawn and in fog with only their parking lamps burning," he asserted.

"Not only is this practice illegal, it is dangerous. Too many accidents occur because one driver didn't see another car approaching or because his misjudged the speed at which the car was traveling. Using parking lamps as head-lamps contributes to these accidents.

The patrol commissioner also urged motorists to check their automobile lights frequently to see that they are working properly. Broken or burned out tail lights and stop lights are responsible for many rear-end collisions that would otherwise not have happened, he declared.

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA IN AND FOR THE COUNTY OF NEVADA
NOTICE TO CREDITORS
No. 6044

In the Matter of the Estate of ORSOLINA BESIO, also known as ORSOLINE BESIO. Deceased

NOTICE IS HEREBY GIVEN by the undersigned Angelo Besio as executor of the last will and testament of Orsolina Besio, also known as Orsoline Besio, deceased, to the Creditors of and all persons having claims against the said decedent to file them with the necessary vouchers within six months after the first publication of this notice in the office of the Clerk of the Superior Court of the State of California, in and for the County of Nevada, or to exhibit them with the necessary vouchers within six months after the first publication of this notice to the said executor at the law office of Wm. J. Cassettari, 123 East Bank St., Grass Valley, California, the same being the place of business in all matters connected with the estate of said Orsolina Besio, alias, Deceased.

Dated October 16, 1959.
Angelo Besio

P. O Tahoma, Lake Tahoe

Mrs. Chris Burmer reports a good time had by all at the Halloween dance for the sixth, seventh and eighth grades at Tahoe Lake School. A tape recorder was furnished by the Burmers and Mrs. Sybil Anderson furnished a record player. About 125 youngsters were chaperoned by Mrs. Tessie Anderson, Mr. and Mrs. Andy Anderson, Mr. and Mrs. Jim Bandy, Mrs. Mary Ann Conners, Mrs. Mickey Day, Mrs. Mary Lou Hill, Mr. and Mrs. Enrico Giannini and teacher Carl Shaft, Mrs. Eunice Engram and Mr. and Mrs. Chris Burmer. Prize winners for best costumes were Bob Jackson and Lynn Dutton, sixth grade; Dennis Clinton and Patty Bird, seventh grade; Jimmy Kimball and Peggy Cernusak, eighth grade. Julie Ann Bechdolt and Bill Otts took the honors in the waltz contest. The bob contest first prize went to Carla Kaiser and Bill Meyers. Noisemakers and refreshments were provided by the P-TA. A happy and wholesome Halloween. Not a window broken, nor soaped; no mischief reported anywhere. What a compliment to the Tahoe City youngsters. The lower grades of the school each had their Halloween room parties.

* * *

At Tahoma, we were honored by a visit from trick or treaters in lovely costumes. Shirley Gratner was a lovely sleeping beauty—and young Jim, Jr. a rather fearsome Donald Duck. It was good news to hear that there was no Halloween mischief this year. Not a a soaped window or missing gate reported.

* * *

Len Miller, Sacramento, chief of Olympic Games course police, says additional course police are needed to man the games. Preliminary screening of applicants will be this month at Mammoth, Mt. Shasta and Squaw Valley. Upon completion of screening, weekend training sessions will be conducted at the Olympic site prior to the games. Interested skiers are asked to get in touch with Miller at 471 Messina Dr., Sacramento, Calif.

* * *

Twenty-three units comprise the new Lakehouse Motel, nearing completion, just north of the Village Store, Tahoe City. Jointly owned by Andrew Hunt and Arthur Henkelman of Fremont, they hope to be ready for occupancy late in November or early December. They are planning a five-story unit on the lakefront later, when the house there can be moved to a new location.

* * *

Marie Henry and Ethel Vernon drove to Klamath Falls, Ore. to visit Ethel's daughter and son-in-law, Mr. and Mrs. Ted Mortag at Kingsley Air Base. Ted is a fighter staff sergeant. The Mortags are enjoying this tour of duty and have a nice home there, but miss Hamilton Air Force Base where they were previously stationed. The weather cooperated beautifully with Marie and Ethel and they explored Crater Lake, the lava beds and the ice caves. All too short, says Marie, but thoroughly enjoyable.

* * *

Dave Broyles, Tahoe City, completely demolished his car and hospitalized himself, but is doing all right after an accident on Dollar Hill last Saturday night. A Thunderbird also did itself in on Dollar Hill the same night. It was driven by Dennie Willie of Sacramento.

* * *

The Catholic Guild of Tahoe City, Truckee and Kings Beach churches will join for dinner at the Nevada Club November 15. Tickets are $2.50 and the public is welcome. Funds raised will go toward meeting the needs of the three churches.

* * *

Southern journalists made a second tour pre-view tour of Squaw Valley, recently which included lunch at the inn in the valley, a chair lift ride up KT-22.

* * *

Jack Dempsey of Tahoma has joined E. A. White on a trip to Mexico.

* * *

The Ralph Peers, White Firs, Tahoma, have returned to Los Angeles.

* * *

After a busy summer, Slim and Velma Gussick are still busy since roads are being put in on Section 4 of the Rubicon Properties.

* * * *

Ben Callender at Homewood is hoping to get his new lodge roofed in before the snow flies.

* * *

Mrs. Sharon French of Tahoe City is working at the Chicken House. Quite a few lake residents are enjoying the delicious fried chicken and steaks served there.

* * *

Arthur "Ken" Oliver of Bismarck, North Dakota, brother of Mrs. Bob Tonini, Tahoe City, has come to Tahoe to take over the Union Oil station. In the oil service business some 12 years, Ken and his wife like the Lake area and are house hunting. The Olivers have a daughter who is a nurse in Bismarck.

* * *

Dr. and Mrs. Lawrence Smith of Squaw Valley and Sacramento jeeped through Tahoe City last Sunday afternoon after a day of driving the back roads.

* * *

Fire Chief Al Henry and Pete Vanni, with most of the Tahoe City volunteer fire department, sped to Truckee to help fight the lumber company fire there last Friday. Stayed until midnight to help get it under control. Those volunteers are extra-special good neighbors in time of fire trouble.

* * *

Tahoe City Brownies will meet each Tuesday afternoon right after school. They will be met and escorted to the Community Center. At their first meeting about 30 Brownies concentrated on Halloween costumes, and each week they will work on a new project, and refreshments will be served.

* * *

It was nice to meet Judge Evelyn Bliss again when se was visiting with Mrs. Anne Anderson last Sunday. Mrs. Bliss drove up with the E. P. Stolls of Dollar Hill.

Edgar Kaiser, son of Henry J., Fleur du Lac, Tahoe Pines, and Hawaii, made an appearance last Sunday on "Meet the Press" program when he discussed the Kaiser position in the current steel strike.

* * *

The Starratt family and Mr. and Mrs. Red Anderson took in the Nevada Day celebration and report huge crowds and a fine show.

* * *

Mr. and Mrs. Angie Bonino, Tahoe City, are on a trip to the south.

* * *

The wayward winds of last week certainly shook things up around the lake. The wind-whipped lake displayed yards of white petticoat for two days as she did a wild can-can to the tune of the wind. At Tahoma, Herb Dana's boat was torn from the hoist and recovered near the Neldam place. A big tree hit a power line and the Danas were in darkness until the power company got it restored. Another big tree across the road north of Chambers caused a near-accident before it was removed. A boat was sunk at Chambers and a huge tree fell and split near the Herb Obexer house. The new dock at McKinney shores took a battering and looked the worse for wear.

* * *

Scout Troop 27 are top-notch salesmen. They sold out their first batch of pen sets and are impatiently awaiting a new shipment so they can sweeten up their treasury funds.

* * *

Mr. and Mrs. H. D. Lewis of Emerald Bay enjoyed the Indian summer weather at their cabin last week. New water lines are being put in there for the Home Owners Association.

* * *

Mr. and Mrs. Harold Munroe of Healdsburg came up for the last of the hunting to stay at Tahoe Pine Lodge for the last of the hunting season.

CHRISTIAN SCIENCE
Meets at Wyethia Clubhouse, Truckee.
Everyone Welcome
Sunday School: 9:30 a. m.
Morning Services: 11 a. m.
The meaning for today of the book of Genesis will be get forth in the Lesson-Sermon entitled "Adam and Fallen Man" at Christian Science services Sunday.
Opening selections to be read from the Bible present these verses: "God created man in his own image, in the image of God created he him; male and female created he them. . . . And God saw everything that he had made, and, behold, it was very good" (Genesis 1:27, 31).
From "Science and Health with Key to the Scriptures" by Mary Baker Eddy this citation will be read (183:21-23): "Divine Mind rightly demands man's entire obedience, affection, and strength. No reservation is made for any lesser loyalty. Obedience to Truth gives man power and strength. Submission to error superinduces loss of power.

TRUCKEE BIBLE CHURCH
(Non-denominational)
Rev. Roy S. Rhoades, Pastor
Sunday school, 10 a. m.
Morning worship 11 a. m.
Evening service 7 p. m.
The mid-week Bible study continues to be held in the home of Mr. and Mrs. Jim Chastian of Kings Beach on Wednesday evening at 8 p. m. This week there was an official board meeting at 7 o'clock. The Bible study is followed by choir practice after which coffee is served and fellowship enjoyed. The Truckee ladies Bible study meets each Wednesday afternoon at 1 p .m. at the home of Mrs. Vincent Mahon.
We have all heard the expression "everyone does it." Many today hide dishonesty and selfishness under the cloak of shrewd business. Men have traded high moral scruples and integrity for the coin of this realm. But God's standards have not changed with man's opinions. The message for Sunday will be entitled: "Looking in the Mirror."

ENJOY LIFE - EAT OUT OFTEN
and bring the Family.
CHINESE FOOD

will be served each Tuesday and Saturday evening from 5 to 8 p. m.
GOODFELLOWS COFFEE SHOP
Truckee, Calif. Reg Smart, Mgr.

TAHOE TRUCKEE SCHOOL NEWS

TRUCKEE ELEMENTARY

KINDERGARTEN — We all enjoyed our Halloween party. The delicious refreshments were prepared by our room mothers, Mrs. Roy Saarni and Mrs. Gene Stone and their assistants, Mrs. W. J. Eckerman, Mrs. Chester Coolong and Mrs. Harry Raynor.

FIRST GRADE — We lost two members of our class this week. Morse Burroughs has moved to Soad Springs and Billy Gonzalez has moved to Sacramento.

We want to thank Mrs. Jellin, Mrs. Rablin, Mrs. Corro and Mrs. Houlgate for the refreshments they provided for our Hallowen party.

Kenneth Grady has brought in some very interesting science items recently.

FIRST AND SECOND GRADES —Our good spellers for this week are Nancy Raynor, Margaret McLane and Pat Stark.

SECOND AND THIRD GRADES —Fred Stewart, Sandra Ferdinand, Carol Paselk, Kathryn Campbell, Sharon Conine, Ben King, Dottie Kirk, Mark Manley, John Poppe, Carl Mahon, Larry Doyle and Debby Jo Wurst are best Halloween spellers. Mrs. Jack Stowe, Mrs. C. O. Melcher of Pasadena, Mrs. Emery Stacey and Patrick, Mrs. Roger Brown and Leidy, Mrs. Robert Gorham and Suzy, Mrs. Vincent Mahon and Steven assisted room mothers, Mrs. William Davis and Mrs. Norman C. Anderson with a very successful party.

We also wish to thank everyone who attended the ham dinner Saturday evening.

THIRD GRADE—Two fine reports were given this week, Maryann Atkinson reported on the sun and Monte Neugebauer reported on the distance of the moon from the earth.

Much preparation went into our Halloween party. Jonathan McLane, Tammie Richards and Steve Silverii planned the games. Our room mothers, Mrs. George Wurst and Mrs. Charles Spillner planned lovely refreshments.

FOURTH GRADE—The new officers are Henry Frates, president; Jill Wurst, vice-president; Fred Wilhelm, secretary.

The excellent spellers are Kenny Bretthauer, John Clark, David Curtis, Diane Daly, Shirley Davis, Henry Frates, Wilbur Glenn, Bob Goldsmith, Thomas Holleman, Mike Kydd, Mike Larsen, Phillip Risden, Linda Russell, Karel Sauby, Allison Spillner, Barry Waters, Fred Wilhelm, Jenny Wilhelm, Kathy Worley and Jill Wurst.

FOURTH AND FIFTH GRADES —Receiving "A" grades in spelling were Gail Englehart, Craig Nummils, Garee Lynn Stewart, Beverly Holleman, Cheri Comola, William Waters, Dennis Richards, Russell Glenn, Carol Brown, Jerry Householder, Jerry Neugebauer, Judy Ingalls, Connie Davis, Pamela Horman, Frank Bradberry, Rod Farley, David Higgins and Tommy Romo. For the fanciest Halloween design, Jim Tavis earned first prize with Beverly Holleman, Sharon Petersen, Bill Waters and Cheri Comola the runner-ups. Frank Bradberry, Russ Glenn and Jerry Neugebauer performed a stirring one act play.

FIFTH GRADE—Theresa Stewart took top honors in the public speaking contest last Wednesday.

The fifth grade football team had their best week of the season defeating the seventh grade twice and holding last year's Truckee Elementary School champions to a tie on two occasions. Looking especially good for the fifth grade was Pat Merica, Gary Waters, Jack Melugin and Gregg Russell.

EIGHTH GRADE — Thursday, Mr. Johansen was ill and Mr. Sauby taught the class. Friday, there was an election and Alan Tapia got president; Bob Frates, vice-president; Susanne Scuitto, secretary; Dianne Silverri, treasurer; and Zeke Romo, sargeant-at-arms.

TAHOE LAKE SCHOOL

FIRST GRADE — The following students made stars on their big reading vocabulary tests this week: Steven Henrikson, Paula Henrikson, Deborah Fitts, Steven Kilbourn, Peggy White, Sherry Freeland, Bonnie Nyberg, John Geyer and Lenell Topol.

SECOND GRADE—The class has another good report in writing their spelling words. Colleen Howard, Carl Larson, Mindy Bechdolt, Debra Stark and Ricky Holly have made excellent progress in learning how to write. Kristan Attardi has shown the most improvement this week in her reading. Laura Hoxsie and Dan Dempsey won the first prize in the Hallowee contest.

SECOND AND THIRD GRADE—Witches, Indians, pirates and skeletons were in class Friday. Room mothers Mrs. Martin, Kimball, Grice and others supplied the bat's nest soup and other fare so enjoyed by Halloween spooks. Chinaman Bobby Litke and Mad Hatter Yvonne Martin won prizes for costumes.

FOURTH GRADE—Tom Easterly and Breezie Cross were elected our two P. E. captains for the month of November.

We wish to thank the following mothers for making our Halloween party such a success: Mrs. Ernest Marier, Mrs. Raymond Shaw, Mrs. Oliver Henrikson and Mrs. John Starratt.

Leah Howard and Frank Martin won prizes for having the most original costumes.

FIFTH GRADE—The true story of Halloween was discussed in the language program. As a result of the lecture on All Saints' Day a prize winning recording was made from memory by Lynn Harper which was displayed for reading

School News

Continued from Page 4

in the office hallway. An original story of Halloween was written by Cathy Coster which was read in the fourth and eighth grades during their language periods.

SIXTH GRADE — TRIP INTO MEXICO BY BOOK: Mr. Shaff and his sixth grade class are still on the way to Mexico, they should arrive there sometime next week. The trip thus far has been slow and they have had to stop at every small town between here and there. At the second stop the class had a spelling bee, the top speller was Becky Gorgias, with Judy Ingram giving her a close race. Linda Hammer wrote the best poem of the day. At their last stop of the day the class decided to hold a meeting. In the class meeting the class decided on the P. T. A. program which will be presented as soon as possible. After the meeting the class decided to call it a day, but will write again next week, when they hope to be in Mexico.

SEVENTH GRADE—On the test at the end of our English unit on books and library usage, Amy Arndt, Bonnie Baker, Nancy Bervid, Wendy Boatmen, Chuck Carpender, Don Decker, Gail Fitzgerald, Carol Franklin, Kent Fugazi, Roger Hayes, Bob Holley, Estelle Howell, Leta Laborde, Pamela Simpson, Michelle Stewart and John Wainscoat, earned above average grades.

SEVENTH GRADE — The seventh grades of Mrs. Harriet Price are studying ancient Greece and Rome in social studies.

Students who received perfect papers in spelling during the last two weeks are Wendy Broomhall, Lisa Davis, Eddie Hoff, Karen Simpson, Susan Stephani and Bob Dyer.

Two students have straight A averages in Spanish. They are Susan Stephani and Sherry Wall.

Chorus members from Mrs. Price's room are as follows: Wendy Broomhall, Patti Byrd, Randa Fugere, Larry Ingrahm, Jayne Shontz, Penni Clark, Holly Shaw, Lisa Davis and Sherry Wall.

Those taking instrumental lessons from Mr. Ross Price are: Roger Michener, Dana Rates, Patti Byrd, Larry Ingram and George Gaswint.

EIGHTH GRADE—Students are trying harder for those few top grades. A greater number are getting 100 per cent. They are Dean Denton, Chips Marvin, Kim Molesberry, Rene Robert, Lynn Staben, Greg Thompkins, Brad Thompson and Gene Smith. Top in math is still Dean Handy.

EIGHTH GRADE: The eighth grade dance Saturday night, proved very enjoyable. Many students attended, including guests from the seventh grade. Several games were played and prizes were awarded to the best dancers. Refreshments were served during the evening.

KINGS BEACH

KINDERGARTEN — The kindergarten had a Halloween party during the class sessions. Becky Dunham brought a pumpkin decorated with candy. Calvin Felte brought a real pumpkin jack-o-lantern. Mike Rich brought pumpkin face cookies for everyone.

Gary Anderson and Lawrence Fink decorated the room with paper pumpkins and cats made by the boys and girls.

FIRST GRADE — We made a jack-a-lantern and are saving the seeds to grow pumpkin vines in the spring. Glen Belvin was six years old on Tuesday.

SECOND GRADE — Our class won the fire prevention banner for the best posters and bulletin board display on Fire Prevention Week—in the primary grades. Mr. Harvey Price made the presentation.

THIRD GRADE — One of our reading groups have become real pioneers. They have made half-face camps, covered wagons and other pioneers articles of furniture and dress. They have been reading their stories to the class.

Our class won the T. P. A. membership drive and were treated to a party by the Kings Beach P. T. A. We also shared Mark Bracy's birthday treat for the class. We welcomed a new boy to our class, Stephen Holley from Reno.

DONNER TRAIL SCHOOL

PRIMARY CLASS—To the primary children of the Donner Trail School Halloween brought excitement second only to Christmas. Friday was the big day. The children and their teacher came in costume. The room was decorated in pumpkins and witches which the children made. Steven Roberts a new first grade student brought a large pumpkin from which the class made a jack-o-lantern. Room mother Jane DelCarlo organized a committee of mothers who brought cookies to the afternoon party. The highlight of the party was the costume parade.

UPPER GRADE CLASS—All of the students in the upper grade class are taking Spanish. They receive a lesson each week and are putting the lessons together to form a booklet.

The Donner Trail School Band has recently had an accordion added to it. It is played by Jay O'Rear, who is new to the school district.

DONNER DOINGS

BY VIRGINIA O' BEAR

Everyone finally found out about the big secret at Donner Lake Lodge. They are having a Mardi Gras on November 7 at the lodge and there will be prizes for the best dressed couple, the best head dress, the funniest costume and various other prizes. You have to be in costume to participate and masks are furnished at the door. There is no charge for this evening of fun and a free smorgasbord will be served at 1 a. m. There will be an orchestra to provide music for the many people expected to attend.

* * *

Most of the Donner Lake residents know about the fire at the Burney Lumber Company last Friday. The Donner firemen worked right along with the rest of the workers from the Truckee Volunteer Fire Department, the civil defense and the forest rangers. The Tahoe City firemen were on hand also so it all goes to prove that in time of a disaster, everyone pitches in and does their share. The Donner Firemen had some bad luck, however. The engine blew up in the fire truck and is now at Osburn's Buick Garage being repaired.

* * *

A card party is being planned for Friday the 13th at Smart's. The time is 8 o'clock and a large crowd is expected to turn out for this worthwhile cause. Funds will be used to help the firemen replace the engine in the fire truck. So let's all attend the card party and have some fun.

* * *

A dinner meeting was held at Donner Lake Lodge Sunday evening when members of the Donner Lake Resorts gathered for their first official meeting since organizing. Many things were accomplished and members agreed to invite other people in business at Donner Lake to attend the next meeting who are interested in the

* * *

future of Donner Lake. The next meeting will be a dinner meeting at 7:30 on December 6. If you are in business at Donner Lake and would like to become associated with Donner Lake Resorts, please come.

* * *

Larry Reid came up from Auburn where he is attending college to celebrate his birthday with his parents, Mr. and Mrs. Rex Reid, last weekend. Another college student spent the weekend with her parents, Miss Sondra Tremayne. She informed her parents, Dave and Florence that she is real fond of college and is happy at Modesto.

* * *

Our son Dave had some kind of a virus infection and had to spend several days in the Tahoe Forest Hospital. Dr. King said there are several cases of this virus infection and affects everyone differently. We are happy to have Dave home as it looked real serious for a while.

* * *

I am afraid our beautiful Indian summer is over. The weather forecast is for rain and snow but I hope the forecasters are wrong this time. I am not ready for the snow yet, how about you?

* * *

It might interest everyone to know that we have to start all over again and get signatures on a petition to turn in for rural mail service. At first we were told to just list everyone living at Donner Lake which we did. Maybe someone just wants to discourage us but I am not easily discouraged, are you? We will have volunteers to circulate the petitions. Someone will cover the east end of Donner Lake, someone will be in between and someone at the west end. If it is personal signatures we need to turn in, that is the way it will be.

Letter to the Editor

Open Letter from the Fire-ettes:

Our wholehearted thanks to our brave, and hard working, fire department. also our thanks for the cooperation from Donner Lake, Tahoe City, Squaw Valley fire departments, and the U. S. Forest Service, for the wonderful job they accomplished at Topol's mill.

There were many other volunteers, whose names we do not know, who gave their eager assistance.

Our particular thanks to Wayne Philippi, of Tonini's Grocery, for his donation of food supplies for the fire fighters, with his remark, "if the fellows can work that hard down there and probably save Truckee, this is the least I can do."

Smart's and the St. Louis made gallons of coffee for our use, and the St. Louis allowed us the use of their facilities for making sandwiches.

Truckee Mercantile, Doyle Meat Market, Hellers Variety, Tourist Liquor Store, Browns Cafe, cooperated with us in purchase of supplies to feed "our men."

Thanks again, fellows.

DONNER SUMMIT NEWS

BY DONNA POWERS

HALLOWEEN PARTY

The Donner Community Club held its annual childrens Halloween party on Saturday evening at the Kiski Lodge in Norden. A costume parade highlighted the events of the evening. Excitement ran high among the children contestants of each grouping. Preschool through kindergarten group winners were Karen Reed and John Loder. First grade through third grade winners were Chris Monroe and Andy Del Carlo. Fourth through sixth grade, Roberta Kaisor and Bruce Loder. Seventh through 12th grade winners were Judy Loder and Kenney Kaisor. Refreshments were furnished by the mothers of the Community Club. The children all were given candy and apples.

CONGRATULATIONS

Sincere congratualtions to a very charming queen Nancy Williamson of Soda Springs. The Associated Students of Sierra College where Nancy is a freshman, elected her Homecoming Queen to reign over the schools Homecoming events, Oct. 30. We were all very proud to see her picture on the front page of the Sacramento Bee.

SUMMIT SIT HELD

Mrs. Joyce West was a very gracious hostess to the ladies of the Summit Sit in her Soda Springs Snow Laboratory home Wednesday evening. Everyone enjoyed a pleasant evening of conversation and hand working followed by the tasty refreshments served by Mrs. West. Those present, Beverly Cardwell, Lola Schull, Voleta Mason, Gloria Reed, Zona Madden, Adell deRyk, Betty Hampton, Francis Dragoo and Dorothy Bacon, are looking forward to the next meeting which will be held in the Sugar Bowl home of Beverly Cardwell on November 11.

HOME AGAIN

Happily home again at her Soda Springs home is Mrs. Ilsa Bisson after a wonderful month in Europe. Mrs. Bisson has entered her four older children in school in Germany where they are living with their grandparents. Preschool daughter, Barbara is also living with her grandparents. While in Europe Ilsa purchased many new appointments to enhance the decor of the Snow Queen Coffee Shop which she and her husband operate.

GRAND OPENING

Mr. and Mrs. Roberts were the very gracious hosts at the opening of their recently purchased Christmas Inn at Kingvale Sunday afternoon. Guests were served cake and coffee in the charming dining room of the Inn.

Almost 300,000 casualties occurred on slippery roads in 1958.

NORTH TAHOE

By JUDGE HARRY HARRISON

WEATHER

Saturday, wind and more wind, yes, and cold. Fires and disaster everywhere.

PARTY

It was a great affair at the VFW party at Crystal Bay Club. All kinds of people attended, more than a picnic, good music and dancing, lots of prizes.

ILL

We are sincerely sorry to hear that Carl Harried has undergone a serious operation in a San Francisco hospital. Carl is the father of Joy Plunkett of Crystal Bay. Last report is that he is somewhat improved. Glad to hear it.

LAW

Attended a judges meeting at Auburn last Thursday, looks like it's going to be tougher and tougher for the violators. Sheriff Scott was the main speaker.

MOVING OUT

Mrs. Lilleberg also Sam and Audrey Harrison have left for San Francisco. Sam and Audrey will return for Thanksgiving, with a big party scheduled for their home here. It's supposed to be out-of-doors, we hope. I have my doubts, though.

BAL TABARIN SOLD

We are told that Mr. Fitzgerald of the Nevada Lodge has purchased the Bal Tabarin at Crystal Bay. Most of the details are lacking, so we shall have to wait for further information, anyway it is quite a surprise.

OFF TO MEXICO

Erhnge Lund of Crystal Bay, left last Sunday by air for Mexico City where he will meet his wife who has been there for the past few weeks.

SOROPTIMISTS

The following is a report on the activities of the Lake Tahoe Club and their Soroptimisters and guests who enjoyed a delightful steak dinner at the Crystal Bay Club last Tuesday, October 27. Beautiful pictures were shown by Mrs. William Wright of Novato.

California's 1958 crop of beeswax and honey was valued at more than $6 million.

Baffin Island, 97,754 square miles in area, is the world's fifth largest.

California maintains 18 plant quarantine inspection stations.

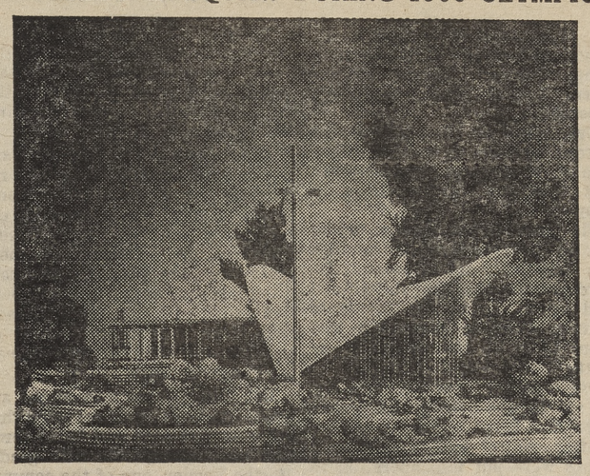
TWO CHURCHES WILL PROVIDE RELIGIOUS NEEDS IN SQUAW DURING 1960 OLYMPICS



PROTESTANT CHURCH FOR WINTER GAMES—A sixty-foot sculptured aluminum cross with unique three-dimensional appearance will stand before the United Church of Squaw Valley, a $140,000 project now under construction at the Olympic Winter Games' site. The inter-denominational church is being constructed by the Northern California Congregational Conference, which has the responsibility for providing Protestant worship facilities during and after the Feb. 18-28, 1960 event. Information on Games' tickets and housing may be obtained by writing Olympic Winter Games, San Francisco. Daily tickets are priced at $7.50.

SQUAW VALLEY — Wherever the endeavor, the church shall be there.

And so the church will be, complete with skiing priests and skiing ministers, when the VIII Olympic Winter Games are staged here at Squaw Valley, February 18-28.

With some 35,000 daily spectators and more than 800 athletes from 34 countries anticipated for the 1960 Games, the need for places of worship is apaprent.

For this reason, the Roman Catholic Church and all major Protestant denominations are constructing two streamlined buildings. Both are being built on private land as permanent structures.

QUEEN OF THE SNOWS

The Catholic Church, of an A-frame design typical in snow county, will be known as Queen of the Snows Church, while the Protestants will call theirs the United Church of Squaw Valley. The latter is unique with its "floating" roof and all-glass walls.

Heading these respective undertakings are the Rev. Patrick J. O'Neill of Truckee and Dr. William David Pratt of San Francisco, superintendent of the Northern California Congregational Conference.

MUST BE SKIERS

Both leaders make clear that the resident priest and minister to be selected for their respective churches must be skiers.

"He's got to talk the skiers' language," Dr. Pratt states. Then in a jocular vein he adds, "as a matter of fact, we'll ask him to ski a hill first for us before we listen to him preach."

The Rev. O'Neill says that skiing priests—of which he hopes to have ten or more for the games—will be available should their services be needed. "We'll try to have at least two on the hills during all ski hours," he adds.

The language problem hasn't been overlooked by the churches either.

Dr. Pratt says that efforts are being made to contact theological students and ministers of the foreign teams to help conduct services.

MULTI-LINGUAL PASTORS

In any event, multi-lingual priests and ministers are expected to be on hand.

Dr. Pratt hopes than the "converse" wing of the United Church of Squaw Valley will provide a place for "purposeful conversation" for athletes and future winter sports enthusiasts who might visit Squaw Valley.

"It is here that skiers will be able to gather for conversation which would provide mutual fellowship keyed to the ideal of Christian faith," Dr. Pratt states.

During the games, Roman Catholic masses will be celebrated hourly from 6 a. m. until noon Sunday and there will be a daily weekday mass. There also will be four masses each at Truckee, Tahoe City and Kings Beach on the two Sundays during the games.

Three services will be conducted Sundays in the Protestant church, in addition to weekday programs. Sunday services probably will be held at 8 a. m., 9:30 a. m. and 11 a. m.

PROVIDE BIBLES

The American Bible Association will provide Bibles printed in languages of the various countries.

Breathtaking winter splendor will form the backdrop for the Queen of the Snows Chapel, which is located on a sloping site northeast of the Ice Arena. There, right before the worshippers' eyes, will be a mountain of sheer granite—a Squaw Valley landmark known at "Little Granite Chief." The "A" frame chalet-style building will seat 372 and will cost $125.-000. The structure was designed by J. Clarence Falciano, Santa Rosa, California, architect.

The steep-roofed building is designed to shed snow and at the same time provide the ecclesiastical atmosphere with its loftiness. A simple wood slab is the design for the altar, supported by Olympic rings and Greek letters symbolizing Christ.

The Protestant Church—a white slated concrete shell, lending the effect of a snow covered mountainside, will "float" on all glass walls.

ULTRA-MODERN

Costing $140,000 and with a seating capacity of 150, this ultra-modern edifice has walls of stained glass to reduce the sun's glare. At the same time worshippers may view the beautiful outdoor scenery of this mountain amphitheater.

A 60-foot, three dimenisonal cross of sculptured aluminum will stand before the church.

Designers of this building are John Lipscomb, George Killam and Richard Whitaker, associated with architects Ulysses Barbachano, Oleg Ivanitsky and Roy Watanabe of El Cerrito, California.

The United Church of Christ was given the responsibility for providing worship facilities at Squaw Valley by an allocattion of the northern California - Nevada Council of Churches. Ministers of all participating denominations will be invited, however, to share the ministry.

MANY DENOMINATIONS

These include African Methodist Episcopal, American Baptist, Church of the Brethern, Disciples of Christ, Evangelical United Brethern, Friends Church, Methodist Church, Reformed Church in America, the United Presbyterian Church of the U. S. A. and the United Church of Christ (Congregational Christian, Evangelical and Reformed).

One of the most impressive church ceremonies will occur during the games' opening day pageantry. It will be the colorful "Blessing of the Skis," conducted in the 8,500 seat, $3,500,000 Olympic arena.

This is where St. Ullr, the patron saint of skiers is honored. Prayers are offered, asking that the skis carry their users safely. The participants are also blessed.

Daily admission tickets for the Games are priced at $7.50. Controlled prices for housing run from $5 to $10 daily. For ticket reservations and housing information write to Olympic Winter Games, San Francisco, California.

Wolverines

Continued from Page 1

Douglas led 6-0. Truckee came right back and scored on a fifty-two yard burst up the middle by Sam Medford to square accounts at six all.

Following this opening eruption by both teams things settled down to a defensive battle until midway through the second period. Truckee seemed to have solved the spread but couldn't move consistently due to penalties, fumbles, dropped pitch-outs, etc. With Douglas in possession on their own thirty-five things happened very fast. Running out of the spread again Manke got behind the Truckee defensive halfback and McDonald hit him with a long strike that put Douglas ahead to stay. The Tigers kicked off and Truckee fumbled on the thirty-five.

The same play was good again for thirty-five yards and Douglas led 18-6 at half-time.

The Wolverines received to start the third period and local fans thought they had recovered their poise as they moved sixty yards in nine plays to the Tigers fifteen. From this point the drive bogged down as a dropped pitch-out resulted in a fifteen yard loss. The Wolverines continued to do nothing right and early in the fourth period had to take to the air to try and pull the game out.

An alert Douglas defense intercepted two tosses, one resulting in the last Tiger score from the twelve yard line on a reverse. A few minutes later the gun sounded and an elated Douglas rooting section poured on the field to congratulate the winners in a titanic upset.

Statistics didn't indicate the score. Truckee gained 209 yards rushing to the Tigers 27 and outdowned them 10-2. However, the only three passes Douglas completed went for touchdowns and they don't count first downs in the score.

A dissapointed Coach Farley reviewing the game stated, "Douglas, mentally were up, we were not, you can't make the mistakes we did against a ball club fired up like that. Of course we would like to play them again, but you only get one chance, congratulations to them and we will get ready for next week."

The winner this Saturday (game time 2 p. m.) will play off the championship with Winnemucca for the right to represent the north in the state play-offs.

Tahoe Items

The Walter Speeters of Carnelian Bay plan to spend most of their time at their ranch at Wilton, Speeter commuting several days a week.

The Harold Podmores of Tahoe City now have a Honolulu address.

Mr. and Mrs. J. H. Stephens of Kings Beach recently went to Petaluma.

TNT Tidings

By SHERRY THATCHER

This Saturday, November 7, is Tahoe Truckee's Big Game with the South Tahoe Vikings. It is really going to be an exciting game as both teams have the same rating of three wins and one loss in conference games. A parade leaving the high school at 10:30 a. m. will travel through Truckee, back and out to the football field. Anyone who would like to decorate his car is urged to do so, and to come and join the parade.

Our team really needs the support of everyone, so if you can possibly get away, come on out to the football field and root for your team.

* * *

South Tahoe has agreed to pay half of the cost of the rivalry trophy so it has been ordered. We hope to receive it within the next three weeks. It will probably be presented to the winning school at an assembly after it arrives.

* * *

G. A. A. tennis ended last week with Lydia Craig and Sherry Thatcher the victors. Doubles games were played during the noon hours. JoAnn Pomin and Margie Pearson were runners up.

Doug Ball, Senior Class President, mentioned in Student Council, that the Senior Class would like to have a Dress Up Day, when the Senior students would wear clothes to school that are suitable for church. They would be served a lunch by the Juniors. It was unanimously approved by the Council, and it is hoped that it will become an annual tradition.

* * *

Virgil Mullis, the biology instructor, has returned after a two week to stay in the hospital. His classes were taught during his absence, by C. A. Baumgardner, who is also assistant coach.

* * *

Sunday, November 8, will be the date of the Senior Car Washes. This is a money raising project for the class of 1960, and the cars will be washed by the students. In Truckee, the site for the car wash will be the Gateway Chevron Service. In Kings Beach, it will be at Ray and Mike's Shell Service, and in Tahoe City at Ron's Richfield Station.

The car washes will start at 12 noon and last until 4 p. m. The price will be $1.50 per car and will include a wash job on the outside and cleaning on the inside.

Everyone is urged to bring their cars in to the nearest car wash and have them spruced up.

TRUCKS WILL AID IN KEEPING ROAD OPEN

The California Truckers Association will schedule and route its trucks to make for the least interference with automobile traffic between Sacramento and Reno during the Olympic Winter Games Feb. 18-28 at Squaw Valley.

R. N. Dick, ground transportation director for the games organizing committee, made the announcement after a recent meeting in Sacramento.

Bert Trask, head of the Truckers association, said that his organization would be kept informed on traffic conditions on Highway 40 through the cooperation of the California Highway Patrol and the state department of highways.

Plans were formulated by these organizations to provide up-to-the minute traffic reports by telephone to the truckers. These will be available at the state department of highways and CHP offices in Sacramento, Truckee and Oakland.

NOTICE OF HEARING LAND USE VARIANCE BROCKWAY VISTA

Notice is hereby given by the Placer County Planning Commission that a public hearing will be held by said Commission on November 13, 1959, in the Supervisors' Room, Court House, Auburn, California, at the hour of 2 p. m., to consider the application of North Tahoe Transit Mix Co. for a land use variance to establish a permanent concrete batch plant in a commercial zone, on the following described property:

Lots 18 through 25, Block CD, Brockway Vista Subdivision, Bear and Speckled Streets, Kings Beach, Placer County, California.

At said hearing all persons in favor of the granting of said variance and all persons opposed thereto may be heard.

HARRY STUBLEY, Secretary
Placer County Planning Commission.
NANCY CAPERON, Clerk of said Commission.
Dated: November 3, 1959
Publish: November 5, 1959

NOTICE OF HEARING

Notice is hereby given that the Nevada County Planning Commission will hold a hearing November 16, 1959, at 7:30 p. m. in the Supervisors' Room at the Court House, Nevada City, California, on the application of G. E. Lewis for a use permit for the construction of a Restaurant and Bar on Rock Road, Deerfield Village, in Section 17, Township 17 south, Range 16 East, about two miles east of Truckee.

NEVADA COUNTY PLANNING COMMISSION

Mill Fire

Continued from Page 1

tained without loss of the Truckee Tahoe Lumber Company and the Sierra Pacific Power Company's substation.

Two major oil companies have storage facilities in the immediate area of the fire and fears were felt that these may also have been destroyed.

The fire started shortly before 3 p. m. Friday and within minutes was completely out of control. Toward evening, the wind shifted and died down, giving the desperate firemen a chance to move in and about 10 p. m. the situation was pretty well in hand.

One spot fire, resulting from flying sparks was quickly extinguished on East River Street.

After control had been gained, cranes were put into operation to tear the log piles apart to permit firemen to get at the hidden blaze.

Sidney Topol, owner of the mill, said the loss would be between $100,000 and $150,000. He praised the efforts of those who assisted in fighting the fire and lauded the cooperaitve efforts of the community.

Fire Commissioner N. F. Dolley said he was advised that the fire probably had its start in a smoldering trash pile which had been burning during the last storm but which was believed out. The east wind, he said, may have fanned it into flames.

Members of the Truckee and Donner Lake Auxiliaries served coffee and sandwiches to the volunteers engaged on the fire.

REPORT CARDS WILL BE MEETING TOPIC

Mrs. Calvin Farley, Truckee Elementary PTA president, announces that a subject of vital interest to all parents will be discussed at the October 9 meeting. A new report card, using the A. B. C-type grading system, will soon be inaugurated at the Truckee Elementary School from the fourth through the eighth grade.

Weston Sauby, principal, will explain the new card and answer questions regarding it. Many parents, as well as the school authorities, have not been entirely satisfied with the report card grading system currently in use, and this change should be of utmost interest. Parents are urged to attend the meeting.

Mrs. Ben King and Mrs. Virgil Mullis, room mothers for the 2nd grade, will be in charge of refreshments.

The room count banner will again be awarded to the grade having the most parents in attendance, adn PTA officers again remind fathers of their "double value" in the room count. Mrs. Ruth Roberson's sixth graders have captured the banner twice in succession. If they succeed in winning the banner a third time on Monday night, they will stand a good chance of "taking it home" at the end of the school year.

The meeting, to be held in the gymnasium of the Truckee Elementary School, will begin promptly at 8 p. m.

FILMS, TALK FEATURE OF ROTARY MEETING

TAHOE CITY—Bob Russell, of the public relations staff for the 1960 Winter Olympics at Squaw Valley, was guest speaker at the October 27 Tahoe City Rotary Club dinner meeting at Tahoe Inn.

After a brief talk on how his office is combating false rumors regarding the games, Russell presented a color movie showing exterior and interior views of new buildings, the prevention of snow avalanches, the latest in snow conditioning equipment and competitive skiing of last winter. Russell said there are several copies of the film and they are available to any organization.

Bob Tonini, chairman of the annual Christmas party reported that presents this year will be to three year olds through the fifth grade. Martha Snyder, one of the committee to purchase the presents said that school officials have not yet supplied names of children and that parents of three year olds up to kindergarten ages are not responding with names of their children.

She urges that the names be sent in soon so no child of the designated ages will be left out when Santa Claus driving a sleigh delivers the presents under the big tree in the center of the highway. The date has not been set but it will be one or two nights before the holiday school vacation.

Don Snyder, chairman of the Harvest Ball on November 7 reported that plans are completed and that Bill Briner, music committeeman has engaged a four piece orchestra. The Harvest Ball replaces the former masquerade party and will be for members and their guests.

President Bill Bechdolt reported on his trip with other members to the Rotary Institute at Fallon, Nevada.

Twenty six members attended the club meeting at Tahoe Inn. Bob Tonini had his father, Ben Tonini as his guest. Bill Conners entertained his father, Matt A. Conners of Pasadena and Ned Laughlin of Pasadena and brother-in-law of both Conners and Bechdolt was the guest of both members.

YOUTH RELEASED ON WILD CHASE CHARGE

Nolan Little, 20, Kings Beach, was released on $200 bail after he was arrested following a 90-mile-an-hour chase on Highway 395 near the Mt. Rose turnout south of Reno Friday night. Little was carrying a .45 calibre sub machine gun, but the barrel was plugged and Little said it was a war souvenir brought home by a relative.

The arrest came after Little and a companion, Robert Boyne, allegedly flashed the gun before Deputy Sheriff Richard Schroeder at Lake Tahoe.

CARD OF THANKS

We wish to take this means of thanking each and everyone who assisted us in controlling the fire in our lumber yard last week. We are grateful for their wonderful cooperation.

DOUGLAS LUMBER CORP.
Sidney Topol

$5,999 BID RECEIVED FOR STATION LIGHTS

A low bid of $5,999 was received today by the state divsion of highways for the installation of highway lighting facilities at the east bound agricultural inspection station now under construction on the new U. S. Highway 40 freeway, about two miles west of Truckee just south of the hgh school.

The L. H. Leonardi Electrical Construction Company of San Rafael submitted the low bid and was one of five received, according to highway officals at the Marysville district office.

The project will include installation of a mercury vapor highway lighting system with special color-corrected mercury vapor lamps in the immediate area of the inspection station. It will tie into the lighting system presently being installed at the adjacent westbound inspection station, and will also serve the future highway patrol weighing station to be located nearby.

It is expected that the job will be completed within 30 working days after approval of today's low bid by the state attorney general.

No detours will be required and traffic will be permitted to pass through the construction zone with a mininmum of delay or inconvenience.

TELL THE FACTS

Every retail pharmacist can help to dispel the modern myth of "high prescription prices" by pointing out to his customers that, when they purchase a drug, they purchase more than they sometimes realize.

The vast sums of money spent by pharmaceutical firms toward the development of compounds, the millions of hours that highly-trained scientific personnel work in the laboratories, the hundreds of tests and checks of everything from accurate weight of ingredients to the taste—these are in the composition of the customer's prescription just as surely as the chemicals.

And few people realize the pharmacist's contribution to the medicine they all too often take for granted. The dispensing pharmacist's years spent in college, his scientific knowledge and experience, his mature judgment in matters of an extremely confidential nature between patient, physician, and pharmacist—these factors, too, are built into the price of the prescription.

Then, too, the prescription should not be figured in terms of the dollars it costs, but in the extra healthy years of life which it provides.

Gain or loss, the fact remains that only through extensive research, accuracy, and the employment of top-flight medical and scientific personnel can the drug industry continue to provide and arm the community health team with effective drugs to prevent and combat disease.
